Sir:

**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT  
UNDER 37 C.F.R. §§ 1.56, 1.97, AND 1.98**

Supplemental to the Information Disclosure Statement previously submitted, Applicants submit herewith patents cited by the Examiner in related U.S. Patent Application No. 10/808,155, filed March 24, 2004, entitled "Electronic Systems and Methods for Reducing Laser Beam Process Direction Position Errors." While the information referred to in this Supplemental Information Disclosure Statement may be material pursuant to 37 CFR § 1.56(b), the filing of this Supplemental Information Disclosure Statement is not intended to, pursuant to 37 CFR § 1.97(h), constitute an admission that any patent, publication, or other information referred to is, or is considered to be, material to the patentability of this invention. Further, pursuant to 37 CFR § 1.97(g), the filing of this Statement should not be construed as a statement that a search has been made or that no other material information exists.

Application No. 10/808,043

A listing of all items of information cited is attached on PTO Form PTO/SB/08, substitute form for 1449 /PTO. As this application was filed after June 30, 2003, copies of the cited U.S. patents are not enclosed.

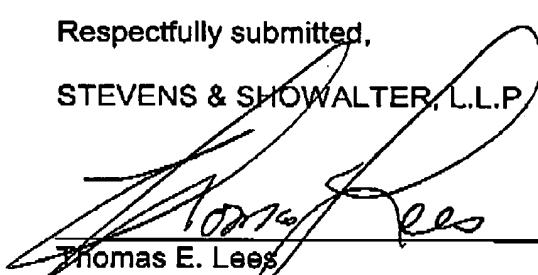

This Information Disclosure Statement is being filed within the period set forth in 37 CFR § 1.97(c) because it is believed to be filed before the mailing date of any of a final action under §1.113, a notice of allowance under §1.311, or an action that otherwise closes prosecution.

Further, no item of information contained in this Supplemental Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application, and to the knowledge of the undersigned after making reasonable inquiry, no item of information contained in this Supplemental Information Disclosure Statement was known to any individual designated in §1.56(c) more than three months prior to the filing of this Supplemental Information Disclosure Statement.

Therefore, no fee is required.

Respectfully submitted,

STEVENS & SHOWALTER, L.L.P.
